

The Marine Design Centre is based in prestigious offices in Central Square, Newcastle, providing state-of-the-art facilities for marine design. Its principal objective is to create an internationally recognised centre of excellence that will market regional marine design capability to the global maritime community. It will provide a Common-User environment that will support design companies in delivering services to the world's shipbuilding, shipowning and marine industries.

We wish to make two appointments

Business Development Manager

– External. To research business opportunities in key markets, build relationships with key clients and market the skills of member companies to those clients; to identify emerging projects and enable members to bid successfully for these contracts.

Business Development Manager

– Internal. To identify and recruit potential members of the Centre from the regional marine community, facilitate access to developing technologies and to appropriate skills to enable member companies achieve their strategic and business objectives.

Both posts will be based in Newcastle with travel away including overseas.

Successful candidates will be educated to degree level or equivalent with at least 5 years experience of successful business development management and excellent communication skills.

Those wishing to be considered should submit an up-to-date CV (2 pages max) with a 200 word covering letter no later than 3rd September 2007 to;

David Bowles, Chairman
NDI Group
Central Square South
Orchard Street
Newcastle-upon-Tyne NE1 3AZ
